

Board Corner-December 2020

Dear Faculty Club Members,

Like at so many other colleges, Williams' students have left campus to finish the semester remotely. This earlier than usual start to the holiday break leaves little to report in the Faculty Club newsletter this month, so we have decided instead to send this brief email update.

Advances in manufacturing a Covid-19 vaccine will hopefully bring a more "normal" spring for all of us. Keep an eye out for future events at the Faculty Club website at: <https://faculty-club.williams.edu/events/>. Our hope is that Friendly Fridays, lectures, lunches, bowling and dinners will be back at some point, even if not exactly as they were in the past. But let's look forward to a time when we can be together again in person.

Happy Holidays and Best Wishes for a terrific and healthy New Year!

Williamstown's Annual Holiday Walk has been reimagined as a three-week celebration of small shops and local nonprofits, collecting necessary clothing, toys, and food to help Berkshire communities-in-need, and inviting the community to shop small and support local businesses in the holiday season.
