Board Corner

Dear Faculty Club members,

I hope that you and your family are all well. I am writing to let you know about this past month's successful Faculty Club events. We hosted our first Friendly Friday this past October 1st which was attended by about 40 guests who were well spaced throughout the club, with some of who took advantage of the fine fall day on the club's patio. The food was both beautifully presented and delicious. Kudos to Dining Services staff who worked hard on this event. Our friend Maureen was there to greet us. So happy she is still here!

On Sunday, October 3rd, the board hosted a cocktail evening at The Distillery at Greylock Works. Proprietor Ryan Max Riley delighted guests with his mixology skills, and guests really enjoyed his high-quality products. We hope to have another event with this growing local establishment.

On the docket is our **virtual lecture with [ThinkerAnalytix](#)**, on **October 26th** at 2 pm.

Our next **Friendly Friday** will be on **November 12th**, so on we go, undaunted by the past year and a half.

On **November 19th at 7 pm**, critic, curator, artist, and art historian **Charles Guiliano** will join us at the club to talk about his new book: *Publishing as a Late Bloomer*. Since 2006 he has published and edited the online arts website [Berkshire Fine Arts](#). Previously, he was the director of exhibitions for the New England School of Art & Design at Suffolk University. This in-person event is free and open to the public. Coffee, tea and dessert will be served.

We're thrilled to announce lunches will be offered on Mondays and Thursdays beginning November 1! See the full menu on page 2 of this newsletter. Lunches are

offered at a discounted price for members. Dining Services is working hard hiring staff in order to open up the Faculty House for more lunches and other events.

Stay tuned to our next newsletter for more future club events. Your continued support of this important entity is much appreciated. I hope to see you soon. Stay well!
