Board Corner

Dear Faculty Club Members-

The Faculty House is quiet at the moment as it is closed for Spring Break until March 31st. But get ready for some awesome offerings at the lunch buffet that pretty much take us around the world with a variety of international food. We appreciate Dining Services staff for their creative take on these menus. More good news—proof of vaccination is no longer required. A big step in the right direction. Yeah!

The March Friendly Friday was attended by 62 happy people who enjoyed a St. Patrick's Day themed menu. Coach Dick Farley spoke about his long Williams career and sign some copies of his new book, *Why I Never Left Williams College*. Thanks Coach!

Mark your calendars for the **April 8th Friendly Friday**. Bright Ideas Brewing (www.brightideasbrewing.com), will be on hand once again to do a beer tasting at the Faculty House. Previous beer tastings with them proved to be very popular events. This is a great opportunity to use Google calendar to invite friends and colleagues which will send reminders for this 4:30pm-6:30pm event! Oh, by the way, Bright Ideas beer (Kölsch and Sour) will be available for you to purchase at the bar. Here's hoping this day is filled with warmth and sunshine so we can open the doors and have seating on the patio.

The **May Friendly Friday is set for May 20th**. This will be our last one for the school year. This event will also be the Faculty Club's annual meeting where we will get a financial report from our treasurer, have a summary of this

past year's events, and vote for officers. Let's celebrate a successful year of events that were held both in person and remotely. We survived, and actually learned a lot, ate great food, and had fun despite extremely trying circumstances. Here's to never giving up! Keep an eye out for communications about possible summer and fall events that will be family friendly.

Once again, the Board would like to send sincere thanks to President Maud Mandel and her team. Their generous contribution to Friendly Fridays helped keep this ship afloat, and ensured that the Faculty Club has a long term future. As I wrote in the first Board Corner of the pandemic, "this too shall pass" which my dear mother said often. And you know what? It has.

Best wishes for a healthy and fun summer,

Alison
