Convivial Conversation and Cuisine for Williams Faculty, Staff and Community Members

Board Corner

Dear Faculty Club Members,

We have more good news to share! The April Friendly Friday was attended by 70 happy people. Jared Jacobson from Bright Ideas was on hand to serve locally brewed beer and tell guests about the varieties they were enjoying. Proprietor **Orion Howard '88** also paid a visit. Several departments attended to enjoy time, beer, and food together. Welcome back, Math Department! Of course, the food was excellent and plentiful. Great job Dining Services staff!

The Faculty Club is co-hosting a Mother's Day Brunch with Sweetwood of Williamstown. Many Sweetwood residents are retired Williams faculty and staff, so it's a great opportunity to catch up with friends. Please take a look at the awesome menu and RSVP by calling (413) 458-8371 by May 2nd. Remember, Sweetwood is a senior resident facility and not a nursing home. A very nice place! They actually cork your wine at the table if you like.

The May 20th Friendly Friday is also the Annual Meeting when the club reports on its activities and financials and votes for board officers. It is important business, but if you just want to show up and have fun, that's okay, too!

Keep an eye out for future family friendly events, maybe a barbeque this summer and an ice cream social in the fall. Once again, we are very grateful to President Mandel and her staff for their continued support for our programming.

Happy Summer! The O'Gradys are looking forward to spending time at the beach in CT as we do every June and October. Our 4-year-old granddaughter Vivian makes this family trip such a joy! It is our hope that you and your loved ones have the same opportunity to be together, too!
