Board Corner

Dear Faculty Club Members,

This is the last newsletter for this academic year. I'm really looking forward to warm summer weather at the beach with my family. Here's hoping you have some fun activities planned too!

On April 19th, the Club hosted an awesome Williams Chamber Ensembles Concert. The audience enjoyed the beautiful pieces as well as the opportunity to engage with the students after their performance. A sincere thank you to this very talented group of students! We look forward to future events with them and other groups on campus. Stay tuned!

We hope to score a "hole in one" at the Faculty Club Chip & Sip Golf Nights, three Mondays in May at Waubeeka Golf Links. We look "Fore"-ward to seeing you there!

The last Friendly Friday of the year will be May 12th from 4:30-6:30 pm. This event is also our annual meeting when we report the events of the past year, our fiscal fitness, and vote for officers.

When you get a chance, come look at board member Jack Leavey's painting in the Faculty House living room. It really looks like it belongs there! Mark your calendars for Jack's June 19th talk about the painting. It promises to be a special event by this very special artist.

You will hear from us again in August about programming planned for the fall. Wishing you a happy and healthy summer!
