

WILLIAMS FACULTY CLUB

MARCH 2024

Founded in 1912

Where Williams College Faculty, Staff, Alumni & Community Come Together

Board Corner

Dear Faculty Club Members,

Spring is almost here! Our present very frigid and windy weather is hopefully behind us!

Now for what is on tap for future Faculty Club events. The next Friendly Friday is on March 1st, then on March 4th we will host a student Chamber Music concert again—the last one drew more than 50 attendees! No reservations are required, but please remember that space is limited in the elegant but small Faculty House living room. We hope to see you there, and don't be surprised if you hear some bowling going on in the alley downstairs. That's okay, since it shows that our we have a lot going on in this hallowed building.

Speaking of bowling, did you see [the article in the Williams' Record](#) about the Faculty/Alumni House bowling alley? Yes, there is a very old bowling alley in the basement of this (1938) building. Isn't it cool that the alleys pretty much look as they did 85 years ago? I think so!

While gathering research for the article's author, I discovered some history that I hope you will find interesting. In December 1940, Lane Faison, then the Faculty Club

Secretary, wrote about "Ladies" being allowed to participate in activities at the Faculty House. Here's one gem:

"Ladies may use the room at all times except 3:30 pm to 6:30 pm on weekdays, when it is reserved for men."

Fascinating stuff. I'm glad that Williams is now a more diverse and inclusive community where we can all enjoy the richness of this beautiful place.

I hope to see you soon.
